EASTER OFFERING

GOSPEL • BASIC NEEDS • COMMUNITIES • MEDICAL • MERCY

Each year we participate in the resurrection of Jesus Christ by proactively participating in God's work of renewal locally, nationally, and globally.

This Easter, we will collect a special offering to benefit 5 ministries led by or connected to the Ethos Family.

100% of our Easter offering will go to these initiatives.

ETHOS INDIA | \$12,900

Clean Water Well and School Expansion

STORY

On Easter Sunday 2011, we planted two Ethos Churches & started a school in the eastern corner of India.

PROVIDE CLEAN WATER

Poor water quality in and around the area of our churches & school is leading to chronic sickness. Clean water will dramatically change the day to day life of our brothers & sisters.

ETHOS INDIA SCHOOL EXPANSION

Currently the Ethos India School is operating at 3 times its current capacity. This is a wonderful challenge. Expanding our school will allow us to exponentially serve more children.

GO TO INDIA

PARWECH UGANGA

\$10,000

Bibles for Parwech

STORY

In 2012, Ethos Church, through the leadership of Jana Ogg, significantly invested in the people of Parwech, Uganda. Together we provided mosquito nets to help prevent the spread of malaria, rebuilt houses ravaged by warfare, started self sustaining poultry farms, and helped send dozens of students to college. On Easter Sunday, we will continue to dig deeper with the people of Parwech.

A BIBLE FOR EVERY FAMILY

There is already a completed translation of the Bible for the Parwech people, but currently there are only 5 bibles in the entire region. This Easter, we will supply a Bible to every household (1,000 families) & will launch a community Bible Study led by our Ethos partner — Walter, Switchboard Missions Ugandan Field Director.

SOPHIA'S HEART | \$12,000

Helping Homeless Families, East Nashville

STORY

Sophia's Heart is an organization that exists to serve homeless families and children in East Nashville. They accomplish this by providing housing, and holistic restoration by connecting families thru music, art, and technology in a culturally relevant way. Several of our Ethos House Churches have been highly involved in this work.

FURNISHING A HOUSE

A portion of our Easter Offering will help provide furnishings, bedding, and other necessities for an entire house / family of four. These funds will specifically help a family that is moving out of transitional housing and firmly back on their feet as they transition into their own place.

FOOD FOR THE HUNGRY

\$12,500

Nashville to Africa

STORY

In 2012, Mark Slagle and Alex Cox, two of our brothers from Ethos, started an organic peanut butter company called Good Spread. Although they love good peanut butter, Good Spread's mission is far greater than food. For every package of peanut butter purchased, the folks at Good Spread will distribute a packet of MANA to a child suffering from malnutrition.

On Easter Sunday, a portion of our offering will purchase 14,000 packets of peanut butter that will be distributed in Nashville to children and families that are in need of food, while at the same time 14,000 packets of MANA will be distributed through the folks at world vision.
