

2013 SUMMER GROW CLASSES

www.ethoschurch.org

Go deeper in knowledge and mission.

Sign Ups begin May 19th

About

Our mission as a church family is to Love God, Love People, and Awaken a Movement. We fulfill this mission by gathering on Sundays for worship, gathering in house churches during the week (September - May), and scattering throughout the city and across the world to love God and people through church planting and service.

This summer will mark the beginning of GROW Classes. Grow classes are designed to equip our church family to grow deeper in love for God and people. Each class will be limited to a small group of people, will meet on a weeknight, and will last between 2-6 weeks. Each class has been designed to take us deeper theologically and send us farther missionally. Whether you are a relatively new follower of Jesus or have been following Jesus for decades -- there is a class for you.
